

**Declaration of Rio Group
in solidarity with Guatemala and Honduras**

Rio Group expresses its solidarity to the Republics of Guatemala and Honduras in view of the damages caused by the tropical depression N° 16, with grave consequences for agricultural production, housing, basic services and great part of the vial infrastructure.

The Member States of Rio Group join efforts made by both governments and offer their support to the international help convocation for reconstruction and humanitarian aid in order to complement relief and rehabilitation actions undertaken by both countries.
