

Declaration of the Rio Group in solidarity with El Salvador

The Rio Group expresses its solidarity with the people and the Government of El Salvador, in the face the serious situation generated by the torrential rains provoked by the Hurricane Ida, particularly in the Departments of San Salvador and San Vicente, who lamentably has causing loss of lives, missing persons, homeless and significant material damage.

The Rio Group conveys its most sincere condolences to the relatives of the victims and wishes for the prompt reestablishment of normality in the affected regions.
